

BARDOS CLEA

**Intense, mature and with
good volume**

D.O. Rueda

Clea Verdejo 2020

Clea was born in the harshest areas of Ribera del Duero and Rueda. This wine collection of Bodega Bardos pays tribute to the brave women who dedicate their lives to the vineyard. The winery and Fademur (the Federation of Rural Women's Associations) have created the Clea Project to promote, through the "Clea Grant", female entrepreneurship in rural Spain.

Varieties

Verdejo.

Vineyard

Selection of 20 to 25 years old vineyards, located in Rueda and La Seca, on the rocky soil at 700 to 800 metres above sea level. Continental climate and large temperature difference between day and night favour to produce great balance wines.

Harvest

Manually harvested during the night.

Winemaking

Cryomaceration to encourage colour and primary aromas extraction. Softly pressed with pneumatic press. Fermentation with natural grape yeasts at low temperature and aging on the fine lees for 4 months.

Alcohol Content

13% Vol.

Tasting notes

Colour:

Straw yellow with green edges.

Nose:

Intense aroma of white fruits, citrics and cut grass with a light touch of balsamic and mineral notes.

Palate:

Great character, density and structure, with a good acidity level and great persistence.

A warm and rainy spring required close monitoring of fungal diseases. The dry summer brought balance and the grapes were harvested with great health and extraordinary quality.
